Suddenly, instead of being yellow she was blue.<sup>2</sup>

Beautiful? I think I'm beautiful. And as sure my friends do too. Maybe it's the long blonde hair that sits on my shoulders. Or it's the deep blue eyes. Or maybe it's the way I'm intense. Intense about everything I do. I'm a champion. A superstar. A competitive person. Maybe it's even the Smile. The white glittering teeth that shine when I smile. That are strait just right. Obsessed? Yeah. Soccer. Party's. Any guy I want.<sup>3</sup>

Lonely is what's in me when I feel my worst. Like something's missing. I'm never really lonely, I just feel that way.<sup>4</sup>

Adorable? I get it from my mom. I get everything from my mom. Everyone of these words describe me and my mom.<sup>5</sup>

We stood there looking at each other. All but me.<sup>6</sup>

If you have any questions call 3\*\*-9\*\*-0\*\*.\* and ask for Liz.<sup>7</sup>
